About Us

We will continually set the highest standard of customer satisfaction.

Unity International Logistics Co.,Ltd. was established by a group of logistics professionals who have been working in the industry for over a decade.

We have dedicated staff focused on developing; implementing and managing customized solutions for a variety of specialized industries' requirements.

Our expertise is recruited at senior levels and is screened to be methodical and independent workers. They are familiar with many specialized industries, like manufacturing, transportation, warehousing, consultancy, and so forth.

Our vision is to provide competitive global freight forwarding and integrated logistic services that meet our clients' requirements first time, on time and every time.

Our main principle is a careful handling of any cargo, without exceptions, and an individual approach to every client's needs. Our clients are middle size industrial companies, small enterprises and private individuals, especially foreign companies who plan to develop their market in Thailand and local companies who plan to develop market overseas.

Services

“Always render more and better service than is expected of you, no matter what your task may be”

With Unity International Logistics, quality customer service is not only value added – it is our driving force. It makes us different. It removes the challenge and redefines global logistics for our customers.

Services that meet clients' requirements first time, on time and every time.
